START A CHAPTER

There are three simple steps you'll need to take to establish an NJHS chapter in your school. Please note that parents and students cannot apply to establish a chapter, though they are encouraged to share this information with their local school officials.

STEP 1: MAKE A COMMITMENT

There are a few things to consider and prepare before beginning the official application process.

1. Review the National Junior Honor Society Constitution and ensure your school is willing to comply with its guidelines (www.njhs.us/constitution).
2. Select a primary chapter adviser. This faculty member will serve as the supervisor of the chapter, in charge of daily operations, file maintenance, and other duties (see Article VI). The primary adviser is also responsible for annual renewal of affiliation.
3. Appoint a five-member faculty council. The council will meet at least once a year to select new NJHS members and review and revise chapter procedures (see Article VII).

STEP 2: COMPLETE A NEW CHAPTER APPLICATION

The annual affiliation fee is \$385. All applications require a principal's signature. All private, nonpublic schools must prove accreditation by an accrediting organization listed at www.njhs.us/start-a-chapter or by the state departments of education (only those that accredit nonpublic schools). Current accreditation verification MUST accompany this application. Allow 3–4 weeks for processing.

Please send your application with check to:

STEP 3: REVIEW YOUR CHAPTER MATERIALS

Once your new chapter has been approved, you'll receive a letter of congratulations, an annual certificate of affiliation, access to the *NJHS Handbook* and valuable online resources. After reviewing the handbook thoroughly, the principal, adviser, and faculty council should develop the following:

- Chapter bylaws outlining the obligations of membership, including participation in annual service projects (see Article XIV). We recommend you involve student leaders in crafting your local bylaws.
- Selection procedures, including a proposed calendar with induction date. This procedure must be published and available for review (see Article IX).
- Chapter service projects, meetings, and other activities to build and support an active chapter at your school (see Article XIV).
- Discipline and dismissal procedures, beginning with the guidelines outlined in the corresponding chapter in the *NJHS Handbook* (see Article X).
