NJHS is a program of NASSP

Welcome to the National Junior Honor Society

Dear Parents/Guardians,

Congratulations to your student for becoming a member of the National Junior Honor Society (NJHS)! We have been a pioneer in student organizations in the United States by using a unique, forward-thinking lens to recognize outstanding students since 1929, and I'm thrilled to welcome you to our legacy.

And while we believe in the value and power of recognition, being a member of NJHS is far more than academia. Our program is about elevating the culture of an entire community through everyday scholarship, service, leadership, character, and citizenship—and your student has shown a commitment to these shared values.

Throughout the school year, NJHS supports your student through a variety of resources to help them develop leadership, cultivate a love of giving back, and prepare for the next phase in their academic journey and beyond.

As a new member of NJHS, your student is encouraged to log on to www.njhs.us/profile and create their very own student profile. Upon doing so, they will be able to have their member status verified by their adviser, apply for the NJHS Outstanding Achievement Award, and receive the most up-to-date information about NJHS activities delivered straight to their inbox. I also encourage both you and your student to follow NJHS on Facebook (@NHSandNJHS), Twitter (@nhs_njhs), and Instagram (@nhs_njhs).

Once again, I'm honored to welcome you to the National Junior Honor Society family, and I look forward to building a better school community together.

Sincerely,

Nara Lee
Director, National Honor Societies
