

NJHS Outstanding Achievement Award

The Basics

About the NJHS Outstanding Achievement Award

- 500 recipients selected each year to receive a \$500 college savings plan

Timeline

- **Applications Open:** November 2, 2026
- **Applications Close:** January 29, 2027, at 5:00 p.m. ET
- **Winners Announced:** April 2026

Eligibility Requirements

To be eligible, a student must be:

- An active member in good standing of a National Junior Honor Society chapter, meeting all membership requirements and obligations of the local chapter
- An NJHS student account holder, verified by the NJHS chapter adviser
- Enrolled in a school with an active NJHS chapter

There is no limit to the number of applicants per chapter.

Award Distribution

- One-time, non-renewable award
- Award dollars received in a new 529 college savings plan
- Funded by July of the award year for students who have set up new 529 college savings accounts (with a parent or guardian) and completed the online acceptance form sent by NJHS
- Families must confirm receipt of funds before close of the year; eligibility ends with the calendar year

Ideal Candidate

- Demonstrates a service mindset by seeking out volunteer opportunities to fulfill needs and help others.
- Commits to learning, growing, and making the most of educational opportunities.
- Takes ownership and responsibility as a leader, in title or in action, in school and community.
- Displays perseverance, honesty, integrity, and ethical and compassionate decision-making.
- Seeks to understand the concerns and strengths of your community and support the community and its members according to your ability.

NJHS Outstanding Achievement Award

Application Process

3 Phases to Apply

Create an Account.

Get Verified by NJHS adviser.

Complete and submit the online application.

Completing the Application

Phase 1: Student Creates an Account

Visit njhs.us/students/student-accounts/.

Create a Student Account and link to a school using the city and state search or School ID number.

The NJHS adviser can find the 8-digit school ID by logging into the NJHS website and looking under "My Account."

All NJHS students can create accounts as soon as they are inducted.

Students should choose an e-mail address that can receive e-mails from external senders.

Phase 2: Student Gets Verified

The NJHS adviser receives an e-mail with the names of all students who created accounts during a 24-hour period each evening. This e-mail goes out once per day only. The e-mail includes instructions for how to verify students.

If the NJHS adviser is aware of students waiting to be verified, they can log in at any time to view their online roster following the steps included here: njhs.us/advisers/manage-student-roster/

Students receive a confirmation e-mail once they've been verified. **Wait to be verified before starting the application.** If students log into the application before being verified, they will need to completely log out to refresh their synced data before they are able to start.

Phase 3: Complete and Submit an Application

Step #1: Visit the NJHS OAA landing page and click "Apply Now."

Visit njhs.us/advisers/recognition/the-njhs-outstanding-achievement-award/.

The "Apply Now" link will only appear when the application is open.

Log into the application portal using the e-mail and password for an NJHS Verified Student account.

Open the Profile and your account information will automatically populate. Answer any eligibility questions before clicking "Create Profile."

Most application Profile data is populated from your NJHS student account. You cannot change it here. If your account information is incorrect, such as the spelling of a student's name or school name, contact our team for assistance: njhs.us/contact/.

Reminder: If a student logs in before being verified, they will need to log out and then log back in to sync new Profile data.

NJHS Outstanding Achievement Award

Step #2: Complete the 7 sections of your application

Academic Profile and Essay: Highlight your academic achievements and answer the essay question.

GPA on a 4.0 scale

Honors or advanced level coursework

Specific coursework or independent learning

Awards or recognitions received

Demographic information

Essay: Which pillar of National Junior Honor Society resonates most with you and why? In your essay, choose one of the five pillars of NJHS and share your personal experiences and core values that have shaped your commitment to this pillar. We encourage you to highlight your personality, character, uniqueness, creativity, and/or individuality through your essay."

Service Profile: Share 3–8 service activities and explain your involvement, including your responsibilities, why the service was meaningful to you, what you learned, and/or what skills you demonstrated.

Title or description of activity

Categorize activity from a dropdown

Your involvement: participated/attended, contributed to its planning, led the activity, etc.

Your time: number of hours you contributed to research, planning, design, execution, reporting, etc.

Describe your personal involvement (150 words max).

Leadership Profile: Highlight your involvement in NJHS and 1–6 other leadership roles. Additionally, share if you have started a chapter of an existing organization and/or founded your own nonprofit. For each response, students are encouraged to explain responsibilities, discuss leadership philosophy, and/or share skills and accomplishments in these roles.

Highlight NJHS involvement and any officer role in NJHS.

Title or short description of the organization, club, chapter, etc.

Select the level or title closest to your role: president, co-president, vice president, officer (treasurer, secretary, historian), or other.

Share the duration of your time as a leader in this organization.

Describe your personal involvement (150 words max).

Adviser Certification Request: Submit a request for the NJHS adviser to complete a form confirming you are in good standing and would be a good national representative, including any comments they want to share for consideration.

Students enter a request in the application portal by entering the name and e-mail address of the NJHS adviser. Students should confirm that they are using the correct e-mail address and ask the adviser to confirm receipt of the e-mail, which comes from No-reply@email.zenginehq.com with instructions and a unique link to complete for that student.

Advisers are asked to answer a few multiple choice questions about the student's role in the chapter and school, and leave any comments in an open-ended response field. No letters of recommendation can be accepted.

NJHS Outstanding Achievement Award

The Adviser Certification is not the same as the verification process, which is needed to create an NJHS website account. This form is a short recommendation and is only used for the NJHS OAA.

Submit requests early! This form is due from the adviser before a student can submit their application. Students should prepare their accomplishments for the NJHS adviser so that the adviser can help support their application.

Recommendation Request: Submit a request for your recommender to complete a form speaking to your character, service, and leadership. The recommendation requires answers to specific questions, which is different from a standard letter of recommendation.

Students enter a request in the application portal by entering the name and e-mail address of the recommender. Students should confirm that they are using the correct e-mail address and ask the recommender to confirm receipt of the e-mail, which comes from No-reply@email.zenginehq.com with instructions and a unique link to complete for that student.

Recommenders have a much more substantial form to complete than the adviser. Be mindful of their time and prepare them so that they can provide the best support possible for you. The recommendation form must be completed before the student can submit their application.

Recommendations cannot be completed by the NJHS adviser or family members. Speak with another teacher, school counselor, or administrator who can provide support.

Parental Consent: This is a request that the student sends to their parent/guardian to review the terms of the award and provide consent for NJHS to consider their application by agreeing to the terms of the award.

Certification Statement: Review the terms of the award and certify that you are the one completing it.

Step #3: Submit your application

After all sections of the application are complete, the application can be submitted! It is the student's responsibility to ensure that the adviser, recommender, and parent/guardian complete their forms ahead of the deadline, as the student will be unable to submit without these components.
